Dear Mr. Manely,

After talking with
Mule last night I have
decided to come over
with your Club. He
told me about every-
thing, so I understand
much better.

I would like very
much for you to come
over on this Saturday
and I will be willing
to sign the Contract.
I will be home all

Day Saturday^{2.}

I have a few things that I have to get straight before I go, so I would like to get some money.

So then you can be definite that I will come over, after I sign the Contract.

Please tell Mule not to worry everything will be all right.

Thanking you

Sincerely

Mr Percy Howard.
